

## Division 2 Provincial Qualifiers

Provincial qualification is based on the league standings of full round robin games before/on the roster deadline.

In mixed divisions, only games played against teams registered in the same age category and division will count towards provincial qualification.

The number of berths (provincial spots) available to any age/division is determined by Sasksoccer. Should a team not qualify according to Sasksoccer rules (i.e. an application not submitted in time), the next registered team in the standings will receive the berth.
