Developmental Sessions:

To allow for a quick start of the Under 6 and Under 8 teams, the RSA is scheduling two Developmental Sessions for the Players and Coaches.

Field time on October 23 and 30 will be combined into group activities. With the guidance of all four Club Technical Directors and the help of all the team Coaches and Assistants we will host two sessions featuring a variety of teaching drills in an academy setting. This format will let the players experience the various teaching methods and techniques as well as allow the newest coaches in the division to pick up skills in team and practice management.

Please plan to arrive early enough to allow for player group management.

Games:

Each team will play 8 games during the indoor season.

Teams play 4 v. 4 without goal keepers.

No standings are kept for the U8 league. As a developmental league, the focus is on player development and not that outcome of matches.

Teams playing at 6:00 pm:

Please pick-up nets at the front desk and take out to the field.

Teams playing at 7:00 pm (or last game of evening):

Please bring nets back to the front desk.
