Master's Men League

Come out and show yourself that you still have what it takes to play. The Regina Soccer Association is looking for players 40 years and older to round out our Master's Division. This is a recreational league with a hard twist of competitiveness. Players are placed randomly so there are no powerhouses to contend with. Age eligible members who want that extra dose of activity can register to play divisional, co-ed soccer and Masters all in the same season. Schedules will be coordinated to eliminate conflicts. The past season registration and competition exceeded our expectations and we look forward to increasing participation this summer. Get those cleats out of the garage and join today.

If you are 40 Years old as of January 1, 2010 (born 1969 or earlier) this is the league for you. Exceptions will be granted to keepers born 1970 to 1974; they will be eligible to compete as keepers only. All players must provide identification/proof of birth date to enter this division.
