

2011/2012

INDOOR RSA CUP

The 1st Round of the RSA Cup will be the first game day back in the 2012 new year. In divisions in which byes were required, a random draw of the games was done. The first round games are both league and RSA Cup games. The score at the end of regulation time will be used in the league standings.

Only teams awarded a win will advance to the next round. Games in all rounds are determined by a random draw of teams remaining.

If two teams are tied after regulation time in any game, the over time procedure is two 5 minute halves with the first goal scored determining the winner. If still tied at the end of overtime, game will advance to a shoot out.

In the Youth League, the League Champion is considered the “City Champion”.

The RSA Cup is separate from league standings and gives each team the opportunity to compete for the “**RSA Cup Champion**” title!
